This narivalled Southern Remedy is warranted not to contain a "article of Mercury, or any injurious substance, but is PURELY VEGETABLE

containing those southern roots and herbs which an all wise Providence has placed in countries where Liver Diseases provil. It will care all diseases caused by derangement of the liver and bowels.

and bowels.

The symptoms of Liver Complaint are a bitier or bad base in the mouth; Pain in the back,
sides or faints, often mistaken for rheumatism sour stomach, loss of appetite, bowels
alternately costive and lax n-adache, loss of
memory with a painful sensation of having
failed to do something which ought to have
been done debility, low sprits, a thick yellow as a carance of the skin and eyes, a dry
cough often mistak-a for consumption.

Some lines many of these symptoms attend
the disease, at others vary few, but the liver, the
largest organ in the body, is generally the seat
of diseases and if not regulated in time, grea
suffering, wreichedness and DEATH will en
sue.

I can recommend as an efficacious remedy for diseases of the Liver, Heartburn and Dyspepsia, Simmons' Liver Regulator. Lawis WUNDER, 1738 Master street, Assistant Postmaster, Phil-

scientia.

"We have tested its virtues, personally, and now that for Dispered. Billion-news and Throbbing Headache it is the best medicine the world ever saw. We have trued forty other remedies before Simmone' Liver E-gulator, but none of them gave us more than temporary relief; but the Regulator not only relieved but cured us."—ED. TELSGEAPS AND MESSENGERS, Maccon. US.

BAD BREATH Nothing is so unpleasant, nothing so common so bad breath, and in nearly every case it comes from the Stomach, and can be so easily corrected if you will take Simmons' Liver Regulator, Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion, and General Health.

SICK HEADACHE This distressing affliction occurs most frequently. The disturbance of the stomach, arising from imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nauses, and this constitutes what is popularly known as Sick Headache. For prompt relief

TAKE SIMMONS' LIVER REGULATOR, OR MED-ICINE.

Communistic Societies.

The last number of the 'American Socialist, published at Oneida, N. Y., announces with some flourish that Lawrence Oliphant, late member of parliament for the Stirling boroughs and Paris correspondent of the 'London Times,' has returned to the Community of the Brotherhood of the New Life, from England, bringing his wite with him. His mother, the widow of Sir Anthony Olliphant, C. B., formerly chief justice of Ceylon, joined the community some

years ago, and he himself after having held various diplomatic posts in Asia, resigned his seat in parliament to join the brotherhood. It is quite probable that his original membership of parliament was the only one, though the 'Socialist' intimates a re-election. The incident suggests the great de-

gree to which all of these societies are imputed in conception and constitution, The Amana society was founded in Germany and Switzerland a century ago, and migrated in 1842. The Harmony Economists were founded by George Rapp in Germany in 1787. The Separatists of Zora came from the same place in 1817. The Phakers were originated by Mother Ann Lee in England in 1770. The Amora and Bethel ; communes are due to Dr. Keli, a Prusslan. Cabet, a Frenchman, organized the Icariuns in 1848. The Bishop Hill, Ill., Commune came from Sweden in 1845. The Cedar Vale Commune, in Kansas, consists chiefly of Russian Materialists. Anaheim, in California, in German. Prairie Home, in Kansas, was collected by E. Bossierre, a Frenchman, leaving only the Mormons and Perfectionists as real American organizations. And though they are American in conception, they are chiefly European in constitution; and Count de Leon, Cabet of the French legislature, and Robert Dale Owen, of England, are by no means all who won political or personal distinction abroad before immigrating hither. This country has received representatives from all the visionarles and reformers of Europe, and the product of this great influx is very erroneously described as American. It is so in geography and tolerance, but hardly in any other manner.

Are not advertised as "cure-alls," but are specifics in the diseases for Which they are recommended.

NATURAL SELECTION.

Investigators of natural science have demonstrated beyond controversy, that throughout the animal kingdom the "survival of the fittest" is the only law that vouchsafes thrift and perpetuity. Does not the same principle govern the commercial prosperity of man? An inverior cannot supercede I superior article. By teason of superior merit, 17 Pierce's Standard Medicines have outrivaled all others. Their sale in the United States alone exceeds one million dollars per annum, while the amount exported foots up to several hundred thou sand more. No business could grow to such gigan tic proportions and rest upon any other basis than that of merit.

Dr. Sage's Catarrh Remedy IS PLEASANT TO USE.

Dr. Sage's Catarrh Remedy Its cures extend over a period of 20 years.

Dr. Sage's. Catarrh Remedy Its sale constantly increases.

Dr. Sage's Catarrh Remedy Cures by its mild, soothing effect. Dr. Sage's Catarrh Remedy

Cures cold in head and Catarrh or Ozoena. AN OPEN LETTER. IT SPEAKS FOR ITSELF.

Mr. Editor-Having read in your paper the reports of the remarkable cures of catarrh, I am induced to tell what I know about catarrh, I am induced to tell what I know about catarrh, and I fancy the "sauff" and "inhaling tube" makers—mere dollar grabbers—would be glad if they could emblanon a similar cure in the papers. For 26 years I suffered with catarrh. The masal passages became completely closed. Souff, dust, ashes, inhaling tubes and "sticks" would not work, though at intervals I would snift up the so-called catarrh shuff, until I became a valuable tester for such medicines. I gradually grew dust, seles, inhaling tubes and "sticks" would not work, though at intervals I would shift up the so-called catarrh shuff, until I became a valuable tester for such medicines. I gradually grew wires and no one can know how much I suffered or what a riserable being I was. My head ached over my eyes so that I was confined to my bed for many successive days, suffering the most intense pain, which at one time issued for les hours. All sense of taste and smell gone, sight and hearing gone, nervous system shattered and constitution bocken, and I was hawking and spitting seven-eights of the time. I praved for death to relieve me of my sufferings. A favorabir notice in your paper of Dr. Sage's Catarth Kemety inducted me te purchase a package and useit with Dr. Sage's nasai douche, which applies the remely by hydrostatic pressure, the only way compatitie with common sense. Well, Mr. Editor, it did not cure me in three-fourths of a second, nor in one hour or month, but in less than eight immutes I was relieved and in three months entirely cured, and have re mained so for ever 16 months. While using the Catarrh teemedy I used Dr. Pierce's Golden Medical Discovery to purify my blood and strongthen my stomach. A size kept my liver active and bowels regular by the use of his Pleasant Purgative Peliets. If my experience will induce other sufferers to seek the same means of relief, this letter will have answered its purpose.

Yours, truly, S. D. RENN CK. CLOUD OF A WITNESSES.

Golden Medical Discovery Golden Medical Discovery Golden Medical Discovery Golden Medical Discovery

Golden Medical Discovery By reason of its alterative properties, cures diseases of the Blooc and Skin, as 8 profula, or King's Evil; Tumors; Ulcers, or Old Sores; Blotches; Fimplea; and Eruptions. By virtue of its Pectoral properties, it cures Bronchial, Throat and Lung Affections; Incipient Consumption; Lingering Coughs; and Chroute Laryngitis. Its Cholalogue properties reader it an unequaled remedy for Billiousness; Torpid Liver, or "Liver Complaint;" and its Tonic properties make it equally efficacious in curing Indigestion, Loss of Appeute and Dypepsia.

Where the skin is sallow and covered with blotches and pimples, or where there are serofulous affections and swellings, a few bottles of Golden Medical Discovery will effect an entire cure. If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish brown spots on face or body, frequentheadache or dizziness, bad taste in meuth, internatheat or chilis alternated with hot flushes, low spirits and gloomy forebodings, irregular appetite and tongue coated, you are suffering from Torpid Liver or "Billiousness." In many cases of "Liver Complaint," only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy.
